RENTAL PACKAGE FEE SCHEDULE

The fees below replace the prior undefined “per occurrence, per the by-laws” language and reflect Camelot’s standard Ancillary Fee Schedule, benchmarked against current NYC condo/co-op rental market practice (sources: Hauseit, StreetEasy, and REBNY-area published guidance, 2025–2026). Fees are payable to Camelot Property Management Services Corp. unless otherwise noted, and are due at the time the application is submitted.

Service	Fee	Responsible Party
Rental Package Processing Fee (per application)	\$500.00	Tenant/Applicant
Credit & Background Check (per applicant)	\$125.00	Tenant/Applicant
Guarantor Application Fee (if applicable, per guarantor)	\$125.00	Guarantor
Move-In Fee (non-refundable; covers incidental wear associated with move-in)	25% of one month's rent	Tenant
Move-In/Move-Out Scheduling & COI Administration	\$150.00	Tenant
Lease Renewal Processing Fee (same tenant)	\$250.00	Unit Owner

Responsible-party assignments above follow common NYC condo/co-op rental practice; individual Boards may allocate fees differently by policy. Confirm allocation with the Board before finalizing.

Market context: condo/co-op processing and application fees for rentals typically range \$250–\$1,000 per package (uncapped, unlike standard market-rate rentals where application fees are capped at \$20 under NY law); move-in fees at comparable buildings generally run 20%–50% of one month's rent. These figures should be confirmed with the Board before circulating externally, as Board-set fees can vary by building.

RIDER — LEASE AGREEMENT

165 East 62nd Street Condominium — Unit #: _____

It is the Landlord's responsibility to pay common charges on or before the tenth (10th) day of each month. If the Landlord fails to make any common charge payment to the condominium within thirty (30) days of the date on which payment is due, the 165 East 62nd Street Board of Managers has the right to demand and receive the rent payment due from the Tenant to the Landlord for any month in which said Landlord's common charge is in arrears.

Escalation: if the Landlord's common charges, assessments, taxes, or other amounts owed to the Board of Managers remain unpaid for ninety (90) days or more, then in addition to the Board's right to redirect rent described above, the Board of Managers may pursue any additional remedy available under the by-laws, the offering plan, or applicable law — including, without limitation, filing a lien against the Unit and/or commencing legal action against the Landlord/Unit Owner — without further notice beyond that already provided under this Rider.

Additionally, all rental package fees set forth in the Fee Schedule above, and any past fees and fines, are due per occurrence and in accordance with the terms of the by-laws within the offering plan. If such fees and fines are found to be outstanding, tenant and/or owner agree to pay them in full plus all accrued interest.

After notice, Tenant agrees to forward the next rent payment due the Landlord to the Board of Managers of 165 East 62nd Street Condominium, and to continue to do so until Tenant is notified and released from that obligation, once the account is current again. Under no circumstances will Tenant be obligated to pay over rent if the monthly rent payment was already paid to the Landlord prior to receipt of a notice to pay over.

HOUSE RULES

The Board of Managers welcomes you to 165 East 62nd Street Condominium. In order to maintain the cleanliness of the building and reduce liability, all residents are expected to know and adhere to the following rules:

The doorman may not admit visitors without proper notice; all guests will be announced before proceeding to apartments.

No personal property is permitted in the stairwells outside apartments. Furniture or boxes being stored briefly during a move or renovation must be cleared with the Managing Agent and/or Superintendent.

No smoking in the stairwells; do not extinguish or leave cigarette butts in stairwells.

Please avoid making noise or commotion in the lobby or elevator late at night.

Please keep music and entertaining at a considerate volume for neighbors, and comply promptly if asked to lower the volume.

Smoking of tobacco, non-tobacco, or e-cigarettes is not permitted in common areas (stairwells, elevator, lobby, storage, fitness area, etc.), nor within 10 feet of the building's front entrance or on unit balconies. Smoking is permitted inside residential units. This policy applies to residents, tenants, and their invitees.

Trash disposal: separate garbage as required; use the garbage chute only between 8:00 a.m. and 10:30 p.m.; do not leave items in stairwells or near the elevator — contact the superintendent for assistance with large items or furniture disposal. Grills/BBQs are not permitted on the premises.

MANAGING AGENT

The Managing Agent is responsible for collection of maintenance fees, preparation of monthly financial statements, supervision of building staff and outside vendors, review of estimates and contracts, response to resident requests and complaints, attendance at Board meetings, and keeping the Board informed of all building operations.

Camelot Property Management Services Corp.
57 West 57th Street, Suite 410, New York, NY 10019
Tel: (212) 206-9939
www.camelot.nyc | info@camelot.nyc

The Managing Agent maintains a 24-hour, 7-day-a-week answering service for emergency calls during non-business hours, reachable through the main office number above.

RESPONSIBILITIES OF THE CONDOMINIUM

The condominium is responsible for repairs to common areas and the building's superstructure as described in the offering plan. The unit owner bears full responsibility for maintenance of the apartment's interior, and for

damage caused to other apartments by leakage or overflow of basins, tubs, commodes, and radiators. The unit owner must provide access to the apartment upon advance notice for inspections and repairs; in an emergency, such access shall be immediate, whether or not the unit owner is present.

MOVE-IN AND MOVE-OUT

Move-ins and move-outs are scheduled Monday through Friday, 10:00 a.m. to 4:00 p.m., after a Certificate of Insurance is received. Please provide 48 hours' notice so building staff can schedule protective coverings for the elevator and walls. Insurance certificates must be in place prior to delivery for any move requiring movers and a truck.

TRASH & RECYCLING

New York City requires recycling of paper and cardboard; beverage cartons, bottles, cans, metal, and foil; and bulky metal and appliances containing CFC gas. See nyc.gov/sanitation for the complete list. Soiled paper cups/plates, napkins, paper towels, and tissues are trash, not recyclables. Styrofoam, plastic bags, salad containers, plastic wrap, light bulbs, and yogurt containers are trash. Cardboard must be flattened and bundled or bagged.

RULES AND GUIDELINES FOR THE DOORMAN

The doorman's principal function is building security: guarding the lobby, screening visitors, workmen, and deliveries, and maintaining a professional, courteous presence at all times.

Check and maintain the lobby area, exterior sidewalk, and tree pit in clean condition at all times, including regular wet-mopping of the lobby/elevators and daily sidewalk sweeping.

Do not run errands, walk dogs, feed pets, or watch parked cars for residents; remain within the area of the entrance at all times.

All guests must be announced before being permitted past the doorman.

Remain at the front entrance/desk and assist with the door for each person entering or exiting.

Notify the property manager immediately in an emergency.

Log every delivery person, contractor, or employee (including dog walkers and housekeepers) in and out.

Do not leave the door unattended; lock it if it is necessary to step away.

Remain alert at all times and assist residents with packages from the sidewalk or elevator.

Keep the lobby and entrance clear of loiterers; no contractors or their employees may loiter in the lobby.

No unauthorized persons (appraisers, inspectors, engineers, etc.) may enter without management's knowledge and approval.

All move-ins/move-outs must be approved by management; report illegal occupants to the superintendent and management.

All Building Department inspectors must show identification; log badge/department numbers and escort them throughout the building; report all inspectors to the superintendent immediately.

The above duties may be incomplete; additions, deletions, or changes may be made at any time by the owner or management company.

NOTICE FOR INDOOR ALLERGEN HAZARDS

1. Under NYC Administrative Code section 27-2017.1 et seq., the owner of this building is required to make an annual inspection for indoor allergen hazards (mold, mice, rats, cockroaches) in your apartment and the building's common areas, and must also inspect upon tenant request or notice of a likely hazard, or upon a Department violation requiring correction. If an indoor allergen hazard exists, the owner must fix it using the safe work practices provided in the law, and must provide new tenants a pamphlet on indoor allergen hazards.

2. Prior to a new tenant's occupancy, the owner is required to fix all visible mold and pest infestations and any underlying defects (such as leaks), and to thoroughly clean and vacuum any carpeting or furniture provided, using safe work practices under the law. This notice must be signed by the owner or representative.
